Director of the U.S. Patent and Trademark Office

Sir:

An Office Action in this application was mailed on June 19, 2000. That Office Action only addressed claims 1-16, even though claims 1-18 are pending in the application.

Before a Response was filed, a new Office Action was mailed on September 25, 2000 addressing all claims 1-18.

In a September 27 telephone conference, the Examiner confirmed that there was no need to respond to the June 19, 2000 Office Action, and that the new due date for response is set by the September 25, 2000 Office Action. That is, a response is now due on December 25, 2000.

It is respectfully submitted that this communication is a complete response to the June 19, 2000 Office Action.

Respectfully submitted,

James A. Oliff
